## **COURT ETIQUETTE POLICY**

### **AIM.**

**As members of Badminton England, every player has a duty to observe the Laws of Badminton and behave in a manner which complies with the spirit of the game both on and off the court of play.**

### **GENERAL CONDUCT.**

- 1. Be completely honest with line and 'no shot' calls, once called do not change your mind. Never ask anyone off court for their advice with line calls. If you are in any doubt, agree to play a 'let' without long discussion.**

### CONSTITUTION

### RULES FOR MATCH PLAY

#### 12. MATCHES

Each team in the League shall play Home and Away Matches with every other team in the same division. Teams shall consist of four Men and four Ladies and each match shall consist of Eight Events (four mixed, two men's and two ladies' doubles), each event being the best of three games of 21 points each (extended to 30 points if required) using the 'Rally points' scoring system.

Each team receiving one league point for each event won in the match (8-0, 7-1, 6-2, 5-3, 4-4).

Team sheets must be exchanged prior to the commencement of play, showing a full list of players and playing order. Couples must be arranged in order of strength by the Captain. It is not necessary for the best two players in a team to play together but the pairs must be arranged in order of strength. The strongest pair shall, as first couple, play the strongest pair ranking as first couple from the opposing side, the second pair, that is, the next strongest couple, shall play the second pair of the opposing side and so on. NO alteration in playing order will be allowed during the playing of a match. Absent players shall have two games of 21 points to love scored against them in each event.

Should it be found impossible, due to unforeseen circumstances, to complete all events of a match, the opposing Captains shall mutually agree to either: - (a) complete all outstanding events at some date in the near future with the SAME players, such date to suit both clubs, OR, (b) complete outstanding events on the same evening in a shortened form of one game of 21 points to win (extended to 30 points if required). An event so won, score being 11 or over, shall count as two games to one; score being under 11, shall count as two games to love. (For the purpose of this agreement, the relative portion of this rule above would be temporarily suspended.)

For failure to comply with this rule, see penalty under Clause 21.

#### 13. STARTING TIME OF MATCHES

Matches must commence between 7.00 and 8.00 pm mid week unless previously agreed by the committee. Saturday and Sunday matches may start before 7.00 pm with the prior agreement of both clubs and both clubs must inform the Match Results Secretary of the earlier start time.

A team which has no couple present at the agreed time shall forfeit one event. If later than 1/2 hr. after the agreed start time, one further event shall be forfeited (the non offending team to select event or events at the termination of the match). If later than 3/4 hr. after the agreed start time with no two couples present, the match must be commenced with the players then in attendance playing in a mutually agreed order of strength.

Should play not have commenced within an hour of the fixed time of starting, the match shall be awarded to the team in attendance. The time of starting play **MUST** be entered on the completed score sheets which must be endorsed by the representatives of both teams. For failure to state time of starting see penalty under Clause 21.

No player selected to play in a particular match shall be eligible to play in that match unless he or she is present and ready to play half an hour after the agreed starting time, or by mutual agreement (which must be obtained prior to start of match), and no player is allowed to leave the match without the consent of both Team Captains (whose consent shall not be reasonably withheld). Any player conceding a game through injury is not permitted to take any further part in that match.

In the event of late arrival or non-attendance, the relevant game will be awarded to the opposing team 21 aces to love.

Should the non-offending Team Captain accept the late start/late arrival without availing himself of this ruling "at the commencement of play" no claim under this ruling will be accepted, subject to any unforeseen eventuality that may arise which can be decide by appeal to the Committee.

#### **14. HALLS AND BYE-LAWS**

Visiting teams shall abide by the bye-laws of the Home Club with regards to "lets" and "faults", provided these do not contravene the Laws of Badminton. The Visitors shall be notified before the commencement of the matches of any such Bye-Laws likely to affect the play. A scorer must be appointed and their decision shall be binding.

#### **15. SHUTTLES**

In all matches a standard feather shuttle of correct pace should, if possible, be used. If home teams are unable to supply feather shuttles they must notify the visiting team's secretary at least seven days prior to the fixture date, advising the visitors of the normal speed of the shuttles used in their hall. (For failure to comply see Clause 21.)

The Visitors then have the option of accepting nylon shuttles or providing feather shuttles, for which the Home team must pay. A shuttle shall be deemed to be correct pace, if, when a player of average strength strikes it with a full underhand stroke from a spot immediately above one back boundary line, parallel to the side lines, at an upward angle, it falls not less than one foot and not more than two feet six inches short of the other back boundary line. Each event of all matches shall be commenced with a new shuttle.

## **16. RESULTS**

A detailed score sheet of each match, signed and checked by a representative of both clubs, must be sent by the home club to the appropriate Match Results Secretary within five days of the match as printed in the handbook or of a notified and approved re-arranged date. On any non-compliance with this regulation the offending club shall be fined £5 and a further £5 for every 7 days after being advised of the offence until the relevant Match Results Secretary has received the necessary score sheet.

## **17. DATES OF FIXTURES**

Matches must be played as appearing in the League Handbook. In the event of any change of date the Home Club must offer the opposing club at least two alternative dates. The agreed change of date must obtain permission from the relevant Match Results Secretary and be confirmed by both clubs. Matches may only be re-arranged or postponed because of the non-availability of a hall, or the requirement to play a Cup Match on the same date or if two or more players due to play in the match are otherwise engaged in an Inter-League match or Tournament, acknowledged by the L.C.B.A. or the B.A. of England. When postponement of a match is required, the relevant Match Results Secretary must be approached immediately and permission obtained with regard to the re-arrangement of a match, (i.e. a minimum of seven days' notice should be given, under normal circumstance). Should a team fail to appear on the date of the fixture, a fine of twenty five pounds (£25) will be imposed and paid to the non-offending club to cover expenses if the above prior notice has not been given to the Match Results Secretary and the opposing club. For failure to comply with this rule, see penalty under Clause 21.

Any team failing to fulfil two or more League Fixtures in any one season, will at the discretion of the committee be relegated and all their fixtures declared void.

## **18. REGISTRATION OF PLAYERS**
