

Liverpool & District Junior Badminton League 2007-8

Liverpool Junior Badminton League Report 2007 – 2008

Congratulations to all the teams and players that took part in the Junior League this year. Special thanks to all the Club coaches and team organizers who have worked really hard to ensure events like this continue to thrive.

Y8 – Not all matches took place in this competition due to team commitments, nevertheless the players enjoyed the competition and Sutton won convincingly. This would have been a much larger division if Huyton had been able to keep their club running.

Y10 – Congratulations to Fords 'A' team who battled their way through and won this age group. The Y10 division ran smoothly with all teams turning out on competition days. Some players will be moving up to the Y12 age group next year.

Y12 – Due to players getting older and the loss of a few clubs we were only able to run 1 division this year (last year we had 14 teams, in 2 divisions). Both competition days took place at Heatwaves using 8 courts for 3 hours. Congratulations again to Sutton 'A' who won the league after many competitive games. Due to the structure of the competition it is important that all teams turn out on the designated days, it has proven to be very difficult to re-arrange games once the date has passed.

It is likely that the league will continue to grow over the next few years due to the number of new clubs being set up. We will therefore need to find suitable cost effective, 8 court venues to cater for this event. Increasing our Junior club provision is a real priority if we are going to improve senior club membership.

We currently charge a £5 registration fee per team and £1 per person, per match played. The end of year accounts has show an income of £366 and an expenditure of £477.50. We have therefore ran at a loss of £111.50. This shortfall has been balanced with the excess from the Annual Liverpool Junior tournament.

If you would like to enter a team in the Junior League or know of any funding sources or sponsors please inform the committee.
