Congratulations to the winning teams in this year's Junior League competitions. Namely Fords Y8, Fords A Y10 and Apollo A Y12. The Newton A team from St. Helens came very close to winning the division and we wish them every success next year.

This is now the second year of running the Junior League in this format and it appears to be working well. Teams attend a venue on three dates during the year and play up to 3 matches per day. This is more cost effective regards; shuttles, venue and transportation costs. The players also enjoy mixing with other teams. We will consider splitting large divisions if the numbers increase. Currently, we only have 4 junior clubs from Liverpool that participate in the league. We will need to seriously consider ways of expanding this provision in order to develop our Senior League.

Well done to everyone who has taken part this season and made it such an enjoyable and worthwhile series of competitions. We look forward to building on the successes of this year and hope to see teams again in October 06.
